Sales & Classifieds Policy

Upcoming Sales/Auctions:

With the intention of promoting the breed and our membership, the Upcoming Sales/Auctions portion of our website was developed. It was determined to offer this free of charge to the membership.

The Upcoming Sales/Auctions portion of the Sales/Classifieds page will be an announcement of the paid member's sale. Members can also provide a link to a catalog or brochure. These links are to be a direct link to a catalog, brochure or sales announcement.

Links cannot direct visitors to sales management websites or any other type of advertising, such as the members website.

Website links are available to the Member's website via the Breeder Directory.
